Our Promise

If you want a workshop you can trust, the highest quality of repair on almost any vehicle, at a fair rate, your car repaired on time and service with a smile, then choose Pirongia Action Automotive.

Our motto- "We do it all".

Our Guarantee

That we will contact you if more work than anticipated is required.

That we can pick up and drop off your car within a 10km radius.

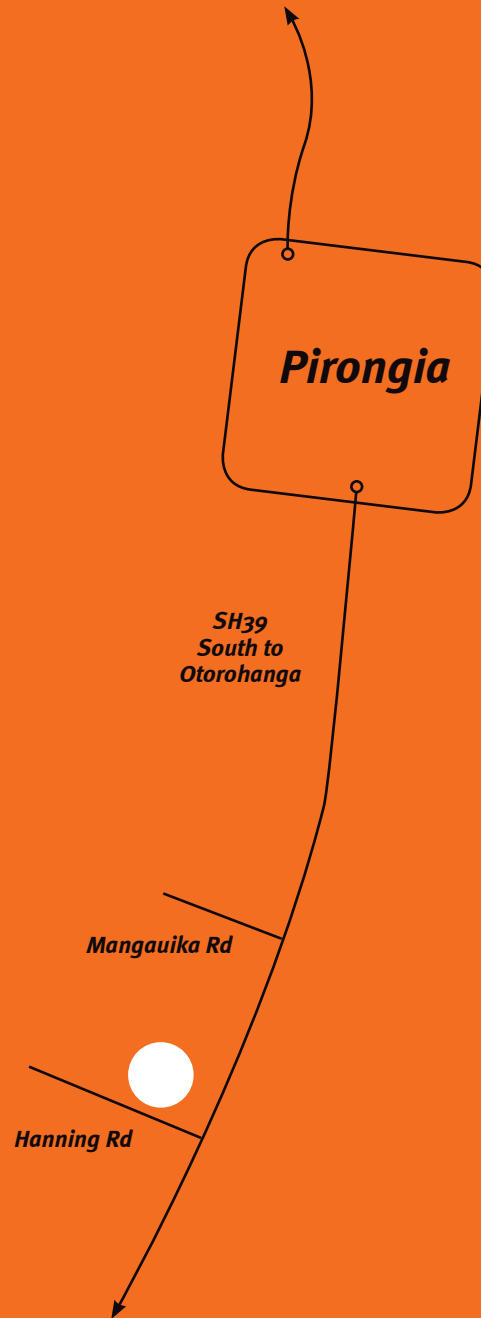

If we get parts or tyres for a special price, we pass the savings on to you.

To let you know about upcoming future repairs that we come across while working on your car.

If it's not sorted and it's our fault we will fix it at our cost.

Our workmanship.

Message from the crew

All the team here hope you have had a great start to 2015 and we'd like to THANK YOU for your business over the last year (or years for some of you).

We've been at the workshop site for 9 nine years at the end of July. We feel very privileged to have the community we have, as our clients. We have been proud to give back to our wider community in the form of sponsorship and support over the years. Pirongia Action Automotive sponsors the following community groups and sports teams: Pirongia Rugby Club, Pirongia Netball, Pirongia Volleyball, Pirongia Golf Club, Kawhia Golf Tournament, Te Awaroa Sports Day, Pirongia School, Ngutunui School, Pirongia Playcentre and Te Pahu Preschool. We also sponsor Pirongia te Aroaro o Kahu Restoration Society, Westpac Helicopter and St John's. While the community has supported us, we feel proud to support the community.

Our other recent news is that Jason has left our team at Pirongia Action Automotive in mid March. We are busy looking to fill the Service Manager position currently. We wish him well with his future endeavours.

Who's who at Pirongia Action Automotive

'Did you know' Tip

If you have a Cruise Control control function on your vehicle, please DO NOT use this function during wet weather. If your vehicle aquaplanes in water while this function is on, as the vehicle hits the road surface again, it will accelerate to regain the original speed, regardless of the direction you are facing. This can often have dire consequences.

Why service your vehicle

We ran this article WAY BACK in Issue 1 of our newsletter, in Spring 2009 but we feel that it is timely to remind our clients of the importance of having a regular service on your vehicle. A regular service to your vehicle is a cost effective way to ensure your car is operating at its optimum. Oil itself doesn't wear out but the additives in your oil do so it is important to regularly replace your oil to protect your engine from premature wear and costly componentry failure. As well as lubricating all moving parts, your oil also helps to cool your engine, keep your internal engine components clean and the additives in the oil help to keep your seals and gaskets supple. This helps to prevent oil leaks. New oil can help to quiet noisy engines. Changing your engine oil regularly will also help to reduce harmful contaminate build up in your engine.

At Pirongia Action Automotive you get more than just an oil and filter change. The 19 points of service will be;

1. Change oil and oil filter
2. Replace fuel filter if it is due
3. Check and clean or replace air filter
4. Check transmission and differential oil levels
5. Lubricate steering/suspension/driveshaft where applicable
6. Check wiper blades, add windscreen washer additive and fill washer reservoir
7. Check brake fluid level and condition of brake fluid
8. Check power steering fluid level
9. Check radiator and cooling system hose condition
10. Check coolant condition and level
11. Check auxiliary drive belt condition and tension
12. Check battery electrolyte level and top up as required
13. While vehicle is on the hoist in the air, carry out general visual underbody inspection including brake components where visible, driveline, exhaust, CV and steering rack boots
14. Inspect tyres for damage and check tread depth. Inflate tyres to correct pressures including spare wheel
15. Spark plugs are checked
16. Check operation of all lights, windscreen wipers and washers
17. Door hinges and check straps are lubricated
18. Engine bay is steam cleaned and dried off
19. Vehicle is road tested

As you can see your vehicle gets a thorough check over. If any concerns are revealed on your vehicle we will discuss our findings with you and formulate a repair

plan that best suits you to rectify the faults. We are finding that a lot of clients are maintaining their twice a year service. We are giving clients a call after 6 months if they are on annual WOF checks, to see if they are interested in a 6 month safety check (an unofficial WOF check). We have found this is often the time the vehicle is due for its next service. It is now more important than ever to keep up with the servicing of your vehicle.

Pirongia Action Automotive is now an Official Agent of Land Rover Spares - for all your Landrover requirements.

New Tyres

Introducing the ALL NEW MAXXIS AT980 all terrain four wheel drive tyre. This is a serious true all terrain tyre, not like a lot of all terrain tyres that are designed for highway use. We have sold many sets of these tyres already and can personally endorse their EXCELLENCE! (Colly's Hilux 4x4).

Customer feedback has been extremely positive.

For sale/Wanted to buy

Let us know if you have a vehicle for sale or you wish to purchase one. We have recently matched up several cars with new owners. We can also put your For Sale or Vehicle Wanted details on our notice board.

CAR CARE TIP

Make sure your windscreen wiper bottle is filled up. At this time of year there are lots of little beasties that end up splattered on your windscreen. A clear windscreen is a safe windscreen!!!
