Our Promise

If you want a workshop you can trust, the highest quality of repair on almost any vehicle, at a fair rate, your car repaired on time and service with a smile, then choose Pirongia Action Automotive.

Our motto- "We do it all".

Our Guarantee

That we will contact you if more work than anticipated is required.

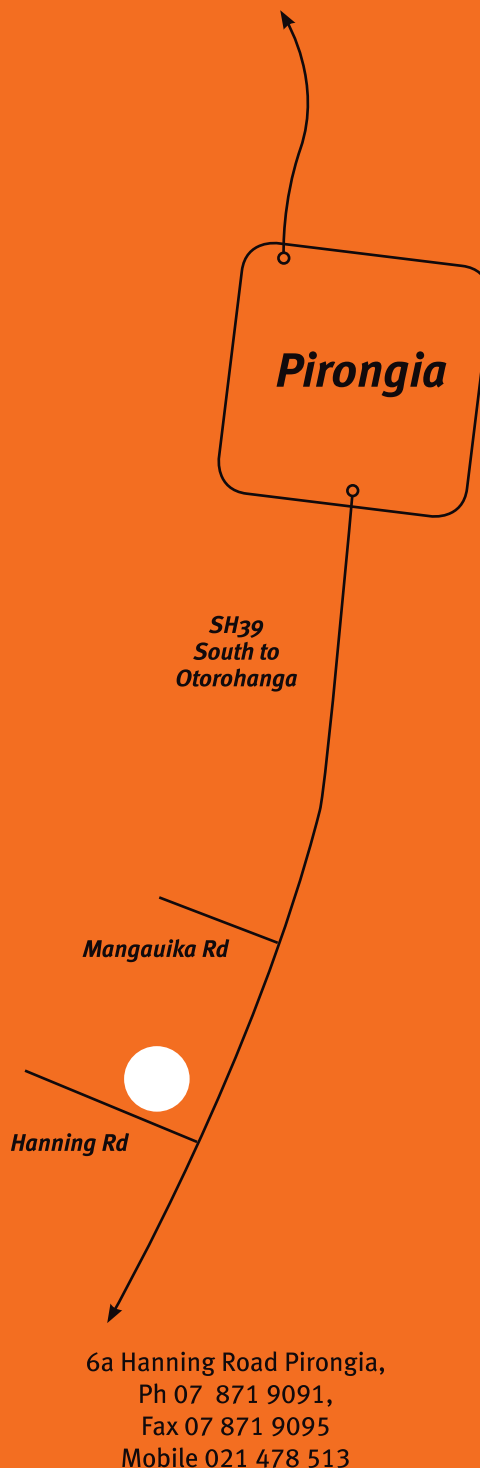

That we can pick up and drop off your car within a 10km radius.

If we get parts or tyres for a special price, we pass the savings on to you.

To let you know about upcoming future repairs that we come across while working on your car.

If it's not sorted and it's our fault we will fix it at our cost.

Our workmanship.

PIRONGIA ACTION AUTOMOTIVE

Issue #11 2013

Want to WIN \$100 off your next invoice? Check out our website and drop us an email at info@actionauto.co.nz with your name and "a chance to win a \$100 credit". Congratulations to Dave and Rochelle Van Straalen who won the \$100 Pirongia Action Automotive voucher from our last newsletter.

Message from the crew

We would like to say a HUGE THANKS to all our clients for supporting us! We entered Pirongia Action Automotive in the Waipa Business Awards for the first time this year and won Customer Choice for the Te Awamutu area- thanks to you guys all texting to vote for us. We also won Small Business of the Year for the Waipa area so we are delighted! Robert was a finalist in the Employee of the Year as well. Grant and I wish to say THANKYOU to James, Sara, Robert, Nic and Ash (The A team) for working so hard and helping make Pirongia Action Automotive an award winning business!

We are very sad to report that James Hebbend, our fantastic Service Manager for the last (just over) 3 years, has left us to join a contracting business in Gordonton. He will be very sadly missed by our clients and the team. Since the last newsletter went out Robert McWha has retired and is enjoying life to the full, no doubt going down every dead end road possible in NZ! Our new Service manager started on the 9th September- Jason Karauti from Te Awamutu, who is looking forward to the new challenge. Please introduce yourselves to him over the phone or when you come in to the workshop.

Who's who at Pirongia Action Automotive

Grant & Colette Burr
Business Directors

Sara Breyley
Administration Manager

Jason Karauti
Service Manager

Nic McMonagle
L/R & European
Vehicle Technician

Ashleigh McMonagle
Apprentice Technician

Our Database- Information Galore

The database system we use at the workshop is the SAM system.

We use this database to record many details and events about the vehicles we work on. The information we collect can be used in many ways and we thought it was time to share:

Your details

This enables all the staff to talk to you personally about reminders, vehicle issues and send important information- invoices and newsletters.

Vehicle details

This allows us to order the correct parts for your vehicle. Vehicle tyre sizes- When tyres need replacing we can order the current tyres you have on your vehicle or discuss other options that may be more suitable.

Odometer reading

By recording your odometer accurately we can monitor tyre wear and parts wear over certain mileage. We will be able to determine your cambelt is due to be changed and when fluids are due to be replaced- such as brake fluid. Your odometer history is also important for warranty claims.

History

We have retained the history of work done on vehicles since October 2006 so we can look back at previous jobs done on your vehicle over the last seven years at Pirongia Action Automotive. This provides useful information about the vehicle, especially when you sell your vehicle.

WOF expiry date

We record the new WOF expiry date so we can contact you a week out from the WOF expiry date, so you can book your vehicle in for a WOF.

Wheel alignment date

We let you know a year on that you are due for a wheel alignment check. This identifies if there is any uneven wear.

Farm machinery service dates

We can let you know when your 6 or 12 month service date is due for your tractors/ farm bikes and other farm machinery.

TYRES

REMEMBER: For ALL your tyre needs contact Pirongia Action Automotive. **LARGER** variety of new tyres, mags, puncture repairs, tubes and now full computerised **4 WHEEL ALIGNMENT** service

Car care tip

It is amazing how many vehicles we see with only one head light working. It is up to you as the driver of the vehicle to make sure all your lights are working. Please check your lights regularly or call in and we can check them for you.

NOTE: If we recognise your vehicle with a light fault we endeavour to contact you so we can sort out the fault for you if required

For sale/Wanted to buy

Let us know if you have a vehicle for sale or you wish to purchase one. We have recently matched up several cars with new owners. We can also put your For Sale or Vehicle Wanted details on our notice board.

Pirongia Car Surgeons

Please remember for all your panel and paint repair needs, Mark Wheeler is operating a very busy Panel Repair business from the Hanning Rd Hub (our work neighbour). Pirongia Action Automotive has used his services on many occasions. Mark can be contacted on (07) 871 9975 or 022 659 2195

Safe Driving Tip

If you have hit a curb or a pothole and feel that your vehicle is handling a little differently- don't hesitate to come in to have a wheel alignment carried out. We can check to see that the wheels are aligned so that no premature wear or tyre damage is occurring and rectify any faults found.

Pirongia Action Automotive is now an Official Agent of Land Rover Spares - for all your Landrover requirements.
